#### STATEMENT IN RELATION TO THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

#### 1. INTRODUCTION

At the Company's AGM held on 19 June 2019, the Company had obtained your approval for the renewal of the authority for GENM to purchase its own shares of an amount, which, when aggregated with the existing treasury shares, does not exceed 10% of its prevailing total number of issued shares at any time.

The above authority will expire at the conclusion of GENM's forthcoming AGM.

On 27 May 2020, GENM announced its intention to seek your approval for the Proposed Share Buy-Back Renewal.

The purpose of this Statement is to provide you with the details pertaining to the Proposed Share Buy-Back Renewal and sets out the Board's recommendation thereon. GENM will be seeking your approval for the ordinary resolution in relation to the Proposed Share Buy-Back Renewal to be tabled at the forthcoming AGM.

The Notice of 40<sup>th</sup> AGM, Form of Proxy, Administrative Guide and other relevant AGM documents are available on GENM's website at <u>https://www.gentingmalaysia.com/agm/</u>.

#### 2. DETAILS OF THE PROPOSED SHARE BUY-BACK RENEWAL

- 2.1 GENM is proposing to seek your approval for the renewal of the authority for GENM to purchase its own shares of an amount, which, when aggregated with the existing treasury shares, does not exceed 10% of its prevailing total number of issued shares at any time within the time period stated in Section 2.2 below. Such purchase is subject to compliance with Section 127 of the Act and any prevailing laws, rules, regulations, orders, guidelines and requirements issued by the relevant authorities at the time of the purchase.
- 2.2 The authority from you, if renewed, shall be effective upon the passing of the ordinary resolution for the Proposed Share Buy-Back Renewal at GENM's forthcoming AGM until:
  - (i) the conclusion of the next AGM; or
  - (ii) the expiry of the period within which the next AGM is required by law to be held; or
  - (iii) the authority is revoked or varied by an ordinary resolution passed by the shareholders of GENM in a general meeting,

whichever occurs first.

- 2.3 For illustrative purposes, based on GENM's total number of issued shares and the number of treasury shares held as at the LPD of 5,938,044,648 GENM Shares and 284,808,962 GENM Shares respectively, the maximum number of GENM Shares that can be purchased pursuant to the Proposed Share Buy-Back Renewal is 308,995,502 GENM Shares.
- 2.4 As at the LPD, GENM's public shareholding spread was approximately 49.94%. For illustrative purposes, assuming that the purchase by GENM of its own shares is carried out in full based on its total number of issued shares as at the LPD, and the shares are purchased from public shareholders, GENM's proforma public shareholding spread will be approximately 47.04%.
- 2.5 The Proposed Share Buy-Back Renewal will allow GENM's Board to exercise its power to purchase GENM Shares at any time within the time period stated in Section 2.2 above, using GENM's internally generated funds and/or external borrowings.

The actual number of GENM Shares that may be purchased will depend on the availability of funds, relevant cost factors, market conditions and sentiments.

Notwithstanding the above, the maximum amount of funds to be allocated for the purchase of GENM Shares under the Proposed Share Buy-Back Renewal will be subject to the amount of GENM's retained earnings. Based on GENM's latest audited financial statements as at 31 December 2019, the retained earnings was RM16,848.5 million at the Company level.

In the event GENM purchases its own shares using external borrowings, GENM's Board will ensure that there are sufficient funds to repay the external borrowings and that the repayment will not have any material effect on the cashflow of GENM.

- 2.6 In accordance with Section 127 of the Act, GENM's Board may, at its discretion, deal with the purchased GENM Shares in the following manner:
  - (i) cancel the GENM Shares so purchased; or
  - (ii) retain the GENM Shares so purchased as treasury shares which may be distributed as share dividends to the shareholders of GENM and/or be resold on Bursa Securities in accordance with the relevant rules of Bursa Securities and/or be transferred for the purposes of an employees' share scheme and/or be transferred as purchase consideration and/or be cancelled subsequently and/or be sold, transferred or otherwise be used for such purposes of the Minister charged with the responsibility for companies may by order prescribe; or
  - (iii) combination of items (i) and (ii) above,

or in any other manner as may be prescribed by all applicable laws and/or regulations and guidelines applied from time to time by Bursa Securities and/or any other relevant authority for the time being in force and that the authority to deal with the purchased GENM Shares shall continue to be valid until all the purchased GENM Shares have been dealt with by the Directors of GENM.

In the event GENM ceases to hold all or part of the purchased GENM Shares as a result of the above, GENM may further purchase such additional number of GENM Shares provided that the total purchased GENM Shares (including GENM Shares held as treasury shares then) does not exceed 10% of its total number of issued shares at the time of such purchase.

While the purchased GENM Shares are held as treasury shares, the rights attached to them as to attending meetings, voting, receiving dividends and participating in other distributions whether cash or otherwise shall not be conferred to the holder of such treasury shares and the treasury shares shall not be taken into account in calculating the number or percentage of shares or of a class of shares in GENM for any purposes including, without limiting the generality of the provisions in the Act or any law or requirements of the Constitution of GENM or the Listing Requirements on substantial shareholdings, take-overs, notices, the requisitioning of meetings, the quorum for a meeting and the result of a vote on a resolution at a meeting.

- 2.7 According to the Listing Requirements of Bursa Securities:
  - (i) GENM may only purchase its own shares on Bursa Securities at a price which is not more than 15% above the VWAP of GENM Shares for the five (5) Market Days immediately before the date of the purchase; and
  - (ii) GENM may only resell the treasury shares on Bursa Securities or transfer the treasury shares pursuant to Section 127(7) of the Act, at a price which is:
    - (a) not less than the VWAP of GENM Shares for the five (5) Market Days immediately before the date of the resale or transfer; or
    - (b) not more than 5% discount to the VWAP of GENM Shares for the five (5) Market Days immediately before the resale or transfer, provided that:
      - the resale or transfer takes place not earlier than thirty (30) days from the date of purchase; and
      - the resale or transfer price is not less than the cost of purchase of the GENM Shares being resold or transferred.
- 2.8 Details of GENM's purchases of GENM Shares made in the last 12 months preceding the LPD are as follows:

	Number of GENM Shares Purchased &		e Price per M Share	Average Price per GENM	Total
Date	Retained As Treasury Shares	Lowest (RM)	Highest (RM)	Share* (RM)	Consideration (RM million)*
28 February 2020	2,000,000	2.89	2.91	2.90	5.81
11 March 2020	3,000,000	2.68	2.72	2.71	8.12
12 March 2020	3,000,000	2.61	2.66	2.64	7.91
18 March 2020	4,000,000	2.04	2.13	2.09	8.34
Total	12,000,000				30.18

\* Inclusive of transaction charges

The above purchases were made from the open market and were financed by internally generated funds and the shares purchased are being held as treasury shares.

During the last 12 months preceding the LPD, there were no resale and cancellation of treasury shares, save for the transfer of treasury shares for the purposes of GENM's Employees' Share Scheme as set out below:-

Date	Number of GENM Treasury Shares Transferred	Transfer Price (RM)	Basis of transfer price
25 March 2020 27 March 2020 3 April 2020 <b>Total</b>	11,438,626 21,520 <u>126,600</u> 11,586,746	$\left.\begin{array}{c}1.9\\1.9\\2.0\end{array}\right\}$	<ul> <li>Based on the VWAP for the shares for the five</li> <li>(5) Market Days immediately before the transfer</li> </ul>

The above treasury shares were transferred pursuant to Section 127(7)(c) of the Act.

As at the LPD, there were 284,808,962 GENM Shares held as treasury shares.

#### 3. RATIONALE FOR THE PROPOSED SHARE BUY-BACK RENEWAL

The Proposed Share Buy-Back Renewal, if implemented, will provide the Group with an additional option to utilise its financial resources more efficiently by purchasing GENM Shares from the open market to help stabilise the supply and demand of GENM Shares traded on the Main Market of Bursa Securities and thereby support its fundamental value.

#### 4. POTENTIAL ADVANTAGES AND DISADVANTAGES OF THE PROPOSED SHARE BUY-BACK RENEWAL

4.1 The Proposed Share Buy-Back Renewal, if implemented, may help stabilise the supply and demand of GENM Shares traded on the Main Market of Bursa Securities and thereby support its fundamental value.

GENM's Board may also choose to retain the GENM Shares purchased as treasury shares and subsequently distribute them as share dividends to the shareholders of GENM or apply them in the manner as set out in Section 2.6(ii) or cancel them, subject to all applicable laws and/or regulations and guidelines issued from time to time by Bursa Securities and/or any other relevant authority.

In addition, GENM may have the opportunity to realise potential capital gains if the shares so purchased are resold at prices higher than the purchase prices without affecting the total number of issued shares of GENM and such proceeds may be subsequently used for investment opportunities arising in the future or as working capital and/or distribute such proceeds as dividends to shareholders of GENM.

4.2 The Proposed Share Buy-Back Renewal, if implemented, will reduce the amount of financial resources available for distribution to shareholders and may result in the Group having to forego other investment opportunities that may emerge in the future, or deprive the Group of interest income that can be derived from the funds utilised for any purchase of GENM Shares. However, such decrease in GENM's financial resources may be temporary since the GENM Shares purchased which are retained as treasury shares may be subsequently resold.

In addition, the Group's cashflow will also be affected, as any purchase of GENM Shares will reduce the Group's cashflow depending on the actual number of GENM Shares purchased and the purchase prices.

4.3 GENM's Board does not expect the Proposed Share Buy-Back Renewal to have any material disadvantage to GENM and its shareholders as it will be implemented only after due consideration of the financial resources of the Group and of the resultant impact on GENM and its shareholders. GENM's Board, in exercising any decision to purchase any GENM Share, will be mindful of GENM's and its shareholders' interests.

### 5. EFFECTS OF THE PROPOSED SHARE BUY-BACK RENEWAL

#### 5.1 Voting shares

The maximum number of GENM Shares that may be purchased pursuant to the Proposed Share Buy-Back Renewal and the effects of such purchase on the number of voting shares in GENM (illustrated on a proforma basis as at the LPD) are as follows:

	GENM Shares
Total number of issued shares as at the LPD	5,938,044,648
Treasury shares as at the LPD	284,808,962
Maximum number of GENM Shares that may be purchased pursuant to the Proposed Share Buy-Back Renewal	308,995,502
Voting shares	5,344,240,184

## 5.2 Substantial shareholders' and Directors' shareholdings

## 5.2.1 Substantial shareholders

Assuming the purchase by GENM of its own shares pursuant to the Proposed Share Buy-Back Renewal is carried out in full, the effects of such purchase on the shareholdings of the substantial shareholders of GENM (based on GENM's Register of Substantial Shareholders as at the LPD) are as follows:

Deemed interest through GENT.

\*2 Deemed interest through KHR and GENT.

<sup>\*3</sup> Deemed interest by virtue of Tan Sri Lim Kok Thay and Mr Lim Keong Hui being:

- (a) beneficiaries of a discretionary trust of which PMSB is the trustee. PMSB as trustee of the discretionary trust owns 100% of the voting shares of KHIL which in turn owns 100% of the voting shares of KHR. KHR owns more than 20% of the voting shares of GENT which in turn owns ordinary shares in Genting Malaysia Berhad ("GENM"). As such, PMSB as trustee of the discretionary trust is deemed interested in the ordinary shares of GENM held by GENT as it is entitled to exercise or control the exercise of not less than 20% of the votes attached to the voting shares in GENT. PMSB as trustee of the discretionary trust is also deemed interested in the ordinary shares of GENM held by KHR by virtue of its controlling interest in KHR; and
- (b) beneficiaries of a discretionary trust of which Summerhill Trust Company (Isle of Man) Limited ("STC") is the trustee. Golden Hope Limited ("GHL") acts as trustee of the Golden Hope Unit Trust ("GHUT"), a private unit trust whose voting units are ultimately owned by STC as trustee of the discretionary trust. <sup>®</sup> Refer deemed interest details as provided in the footnotes of substantial shareholders under Section 5.2.1.

## 5.3 EPS

The effects of the purchase by GENM of its own shares pursuant to the Proposed Share Buy-Back Renewal on the consolidated earnings of GENM will depend on the purchase price paid for the GENM Shares purchased, the effective funding cost to the Group to finance such purchases and/or any loss in interest income to the Group, whilst the purchase of GENM Shares will result in a lower number of shares being taken into account for purposes of EPS computation.

#### 5.4 Net assets per share

If the GENM Shares purchased are retained as treasury shares, the consolidated net assets of GENM would decrease by the purchase cost of the treasury shares because the treasury shares are required to be carried at cost and be deducted from equity. If the treasury shares are subsequently cancelled or distributed as share dividends, there will be no additional effect on GENM's consolidated net assets.

The purchase of GENM Shares that are retained as treasury shares and/or cancelled and/or distributed as share dividends will reduce the consolidated net assets per share of GENM if the purchase price of such shares exceeds GENM's consolidated net assets per share, and vice versa.

If the treasury shares are resold on Bursa Securities, it will increase the consolidated net assets per share of GENM if GENM realises a capital gain from such resale, and vice versa.

#### 5.5 Working capital

The implementation of the Proposed Share Buy-Back Renewal will reduce the Group's working capital, the quantum of which would depend on, amongst others, the number of GENM Shares purchased and the purchase prices of the GENM Shares.

However, the resale of GENM Shares purchased which are retained as treasury shares will increase the Group's working capital. The quantum of the increase in the Group's working capital will depend on the actual selling price of the treasury shares and the number of treasury shares resold on Bursa Securities.

#### 5.6 Dividends

The Proposed Share Buy-Back Renewal is not expected to have any material impact on the ability of GENM's Board in recommending future dividends. However, GENM's Board will have the option of distributing the treasury shares as share dividends to the shareholders of GENM.

### 6. HISTORICAL SHARE PRICES

#### 2.4 Basis of estimate and disclosure requirements

The abovementioned estimated transaction values are based on estimated prevailing prices, which are or will be formalised in agreements between the relevant members of the GENM Group with the transacting parties and based on normal levels of transaction.

The estimated transaction values are based on projected business volumes during the validity period of the Proposed Shareholders' Mandate. The actual value of transaction may however vary from the estimated value set out in Section 2.3 above in light of any changes in the economic environment.

Nevertheless, if the Proposed Shareholders' Mandate is approved, disclosure will be made in accordance with the Listing Requirements in the Annual Report of the Company for the financial year ending 31 December 2020 of the aggregate value of transactions conducted pursuant to the Proposed Shareholders' Mandate as approved.

## 2.5 Method or procedures on which transaction prices are determined/review procedures for Recurrent Related Party Transactions

To ensure that Recurrent Related Party Transactions which are in the ordinary course of business are conducted at arm's length and based on commercial terms consistent with the GENM Group's usual business practices and policies and on terms not more favourable to the related parties than those generally available to the public and are not, in the Audit Committee's opinion, detrimental to the minority shareholders, the following principles will apply:

- (i) The purchase of goods, provision or receipt of services and provision of property management services shall be determined based on prevailing rates/prices of the goods or services (including where applicable, preferential rates/prices/discounts accorded to a class or classes of customers or for bulk purchases) according to commercial terms, business practices and policies or otherwise in accordance with other applicable industry norms/considerations; and
- (ii) The leasing/rental of properties/office space, not exceeding three (3) years, and its related services shall be at prevailing market rates for the same or substantially similar properties and shall be on commercial terms.

At least two (2) other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities will be used as comparison, wherever possible, to determine whether the price and terms offered to/by related parties are fair and reasonable and comparable to those offered to/by unrelated third parties for the same or substantially similar type of products/services and/or quantities.

In the event that quotation or comparatives pricing from unrelated third parties cannot be obtained, the Audit Committee, in its review of the Recurrent Related Party Transactions may, as it deems fit and whenever available, request for additional information pertaining to the transactions from independent sources or advisers to ensure that the Recurrent Related Party Transactions are not detrimental to the GENM Group.

To monitor, track and identify Recurrent Related Party Transactions, the following review procedures and processes have been implemented and documented in a set of Standard Operating Procedures:

- (i) A register is maintained to record Recurrent Related Party Transactions which are entered into pursuant to the Proposed Shareholders' Mandate;
- (ii) The Audit Committee will review Recurrent Related Party Transactions of the Company and of the GENM Group and recommend to the Board for approval. The process will ensure that such transactions are undertaken at arm's length on commercial terms which are not more favourable to the related parties than those generally available to the public, and are not, in the Audit Committee's opinion, detrimental to the minority shareholders and in the best interest of the GENM Group. In their review and approval of such transactions, the Audit Committee or the Board may, as they deem fit, request for additional information pertaining to the transactions from independent sources or advisers. A summary of all Recurrent Related Party Transactions will be tabled every quarterly to the Audit Committee and the Board for notation;
- (iii) The internal threshold approval of all Recurrent Related Party Transactions within the GENM Group are as follows:-
  - (a) All Recurrent Related Party Transactions with value equal to or more than 0.25% of the relevant percentage ratios in a single transaction or in aggregation for a year or for the duration of the contract will be reviewed by the Audit Committee and recommended for approval of the Board; and
  - (b) All other Recurrent Related Party Transactions will require the approval of the Management.

The Board and the Audit Committee shall have the overall responsibility for the determination of the review procedures and processes with authority to sub-delegate to officers within the GENM Group as they deem appropriate.

(iv) Periodic review of the existing procedures and processes shall be carried out by the Audit Committee, as it deem necessary, to ascertain that they have been complied with in accordance with the Proposed Shareholders' Mandate.

The Audit Committee is satisfied that the GENM Group has in place adequate procedures and processes to monitor, track and identify Recurrent Related Party Transactions in a timely and orderly manner, and the review of these procedures and processes on an annual basis.

The Board and the Audit Committee of the Company have reviewed the terms of the Proposed Shareholders' Mandate and are satisfied that the stipulated procedures and processes for the Recurrent Related Party Transactions are sufficient to ensure that such transactions will be carried out at arm's length and based on commercial terms consistent with GENM Group's usual business practices and policies and on terms not more favourable to the related parties than those generally available to the public and are not detrimental to the minority shareholders. Any member of the Audit Committee who is interested in any transaction shall abstain from reviewing such transactions.

#### 2.6 Validity period of the Proposed Shareholders' Mandate

The Proposed Shareholders' Mandate, if approved at the forthcoming AGM on Monday, 22 June 2020, shall take effect and continue to be in force until:

- (i) the conclusion of the next AGM following the forthcoming AGM on Monday, 22 June 2020, at which time it will lapse, unless by a resolution passed at the meeting, the authority is renewed;
- (ii) the expiration of the period within which the next AGM of the Company after that date is required to be held pursuant to Section 340(2) of the Act (but shall not extend to such extension as may be allowed pursuant to Section 340(4) of the Act); or
- (iii) revoked or varied by an ordinary resolution passed by the shareholders of the Company in a general meeting,

whichever is the earlier.

The Proposed Shareholders' Mandate is subject to satisfactory review by the Audit Committee from time to time of its continued application to Recurrent Related Party Transactions.

#### 2.7 Disclosure

Disclosure will be made in the Company's Annual Report of the breakdown of the aggregate value of transactions conducted, types of transactions made, names of the related parties involved and their relationship with the Company pursuant to the Proposed Shareholders' Mandate during the financial year in accordance with Paragraph 10.09(2) and Practice Note 12 of the Listing Requirements.

#### 3. RATIONALE FOR AND BENEFITS OF THE PROPOSED SHAREHOLDERS' MANDATE

The rationale for and the benefits of the Proposed Shareholders' Mandate to the GENM Group are as follows:

- (i) The Proposed Shareholders' Mandate will facilitate transactions with related parties in the ordinary course of business of the GENM Group, undertaken at arm's length and based on commercial terms and on terms not more favourable to the related parties than those generally available to and/or from the public and are not detrimental to the minority shareholders;
- (ii) The Proposed Shareholders' Mandate will enhance the GENM Group's ability to pursue business opportunities which are time-sensitive in nature and will eliminate the need for the Company to convene separate general meetings to seek shareholders' approval for each transaction;
- (iii) The Proposed Shareholders' Mandate will substantially reduce the expenses associated with convening of general meetings on an ad hoc basis, improve administrative efficiency considerably and allow resources to be channelled towards attaining other corporate objectives;
- (iv) In respect of the GENT Group Management and/or Support Services, the Proposed Shareholders' Mandate will enable GENM Group to reduce operating cost and to improve efficiency, thereby improving business and administrative efficacy for the GENM Group; and
- (v) The provision of leisure and hospitality related services to/from the GENT Group, GENS Group, GENP Group, RWI Group, Genting Simon Group and other companies connected with TSLKT, LKH and RAV will be beneficial to the businesses of the GENM Group and will boost the business volume of the GENM Group.

#### 4. CONDITION OF THE PROPOSED SHAREHOLDERS' MANDATE

The Proposed Shareholders' Mandate is subject to the approval of the shareholders of GENM at the forthcoming AGM.

#### 5. EFFECTS OF THE PROPOSED SHAREHOLDERS' MANDATE

The Proposed Shareholders' Mandate is not expected to have any material effect on the share capital, shareholdings of major shareholders of GENM and earnings or the net assets of the GENM Group.

#### 6. DIRECTORS' AND MAJOR SHAREHOLDERS' INTERESTS

GENT is a major shareholder of GENM. TSLKT is a director and major shareholder of GENT, GENM, GENP and GENS; and a holder of the rights to participate in the performance shares of GENM. KHR, KHIL and PMSB as trustee of the Discretionary Trust are major shareholders of GENT, GENM and GENP. Both TSLKT and LKH are directors of KHR, KHIL and PMSB; and also shareholders of PMSB. LKH is a director of GENT, GENM and GENP; and a major shareholder of GENT, GENM, GENP and GENS and a holder of the rights to participate in the performance shares of GENM. TSLKT and LKH are beneficiaries of the Discretionary Trust. Both TSLKT and LKH have deemed interests in GENT through KHR and its subsidiary, Inverway and they have deemed interests in GENP through GENT.

Both TSLKT and LKH have deemed interests in GENS by virtue of them being beneficiaries of the Discretionary Trust of which PMSB is the trustee. PMSB as trustee of the Discretionary Trust is deemed interested in the GENS shares held by KHR and GOHL, which in turn is a wholly-owned subsidiary of GENT. KHR controls more than 20% of the voting share capital of GENT. TSLKT also holds shares directly in GENS.

The details of shareholdings and/or interest as a holder of the participating performance shares in GENM of GENT, TSLKT, LKH, KHIL and PMSB as at the LPD are as follows:-

	No. of shares held in GENMNo.				No. of performance shares granted		
	Direct	%	Deemed interest	%	Restricted Share Plan	Performance Share Plan	
GENT	2,795,789,159	49.45	-	-	-	-	
TSLKT #	24,973,544	0.44	2,796,992,189+	49.48	3,870,869 ^	6,531,397 ^	
LKH	1,368,418	0.02	2,796,992,189+	49.48	1,204,000 ^	3,551,566 ^	
KHR	1,198,930	0.02	2,795,789,159*	49.45	-	-	
KHIL	-	-	2,796,988,089**	49.47	-	-	
PMSB, as trustee of the Discretionary	-	-	2,796,988,089**	49.47	-	-

#### Notes:

- \* Deemed interest through GENT.
- \*\* Deemed interest through KHR and GENT.
- Represents the right of the participant to receive ordinary shares subject to the performance conditions as determined by the Remuneration Committee of GENM.
- <sup>+</sup> Deemed interest by virtue of TSLKT and LKH being:
  - (a) beneficiaries of a discretionary trust ("the Discretionary Trust") of which PMSB is the trustee. PMSB as trustee of the Discretionary Trust owns 100% of the voting shares of KHIL which in turn owns 100% of the voting shares of KHR. KHR owns more than 20% of the voting shares of GENT which in turn owns ordinary shares in GENM. As such, PMSB as trustee of the Discretionary Trust is deemed interested in the ordinary shares of GENT held by GENT as it is entitled to exercise or control the exercise of not less than 20% of the votes attached to the voting shares in GENT. PMSB as trustee of the Discretionary Trust is also deemed interested in the ordinary shares of GENM held by KHR by virtue of its controlling interest in KHR; and
  - (b) beneficiaries of a discretionary trust of which Summerhill Trust Company (Isle of Man) Limited ("STC") is the trustee. GHL acts as trustee of the GHUT, a private unit trust whose voting units are ultimately owned by STC as trustee of the discretionary trust. GHL as trustee of the GHUT owns ordinary shares in GENM.
- As at the LPD, interests of Tan Sri Lim Kok Thay's children (other than Mr Lim Keong Hui who is a director of the Company) in the Company are as follows. This disclosure is made pursuant to Section 59(11)(c) of the Act:

Name	Ordinary Shares	No. of performa	nce shares granted
		Restricted Share Plan	Performance Share Plan
Mr Lim Keong Han	7,436	Up to 10,000	Up to 41,130
Mr Lim Keong Loui	-	Up to 37,800	Up to 155,720

Based on the Record of Depositors as at LPD, Datuk Lim Chee Wah and GHL own 14,000 and 4,100 shares in GENM respectively and Joondalup Limited and Goldsfine do not own any shares in GENM.

TSLKT and LKH had abstained and will continue to abstain from all Board deliberations and voting on the resolution in which they have interests in pertaining to the Proposed Shareholders' Mandate at the relevant Board meetings.

GENT, TSLKT, LKH, KHR, KHIL and PMSB shall abstain from voting, in respect of their direct and/or deemed interests, on the resolution in which they have interests in pertaining to the Proposed Shareholders' Mandate at the forthcoming AGM. GENT, TSLKT, LKH, KHR, KHIL and PMSB have undertaken that they shall ensure that the Persons Connected with them will abstain from voting on their direct and/or deemed shareholdings on the resolution in which they have interests in pertaining to the Proposed Shareholders' Mandate at the forthcoming AGM.

Save as disclosed above, none of the other directors and major shareholders of GENM and/or Persons Connected with the directors or major shareholders of GENM, has any interest, direct or indirect in the Proposed Shareholders' Mandate.

#### 7. DIRECTORS' RECOMMENDATION

The Board (except for TSLKT and LKH who had abstained from expressing any opinion in relation to the resolution in which they have interests in), having considered all aspects of the Proposed Shareholders' Mandate, is of the opinion that the Proposed Shareholders' Mandate is in the best interest of the GENM Group and accordingly, recommends (except for TSLKT and LKH, who had abstained from making any recommendation in relation to the resolution in which they have interests in) that you vote in favour of the ordinary resolution for the Proposed Shareholders' Mandate to be tabled at the forthcoming AGM.
