STATEMENT IN RELATION TO THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

1. INTRODUCTION

At the Company's Forty-Second AGM held on 2 June 2022, the Company had obtained your approval for the renewal of the authority for GENM to purchase its own shares of an amount, which, when aggregated with the existing treasury shares, does not exceed 10% of its prevailing total number of issued shares at any time.

The above authority will expire at the conclusion of GENM's forthcoming AGM.

On 3 April 2023, GENM announced its intention to seek your approval for the Proposed Share Buy-Back Renewal.

The purpose of this Statement is to provide you with the details pertaining to the Proposed Share Buy-Back Renewal and sets out the Board's recommendation thereon. GENM will be seeking your approval for the ordinary resolution in relation to the Proposed Share Buy-Back Renewal to be tabled at the forthcoming AGM.

The Notice of 43rd AGM, Form of Proxy, Administrative Guide and other relevant AGM documents are available on GENM's website at <https://www.gentingmalaysia.com/aggm/>.

2. DETAILS OF THE PROPOSED SHARE BUY-BACK RENEWAL

2.1 GENM is proposing to seek your approval for the renewal of the authority for GENM to purchase its own shares of an amount, which, when aggregated with the existing treasury shares, does not exceed 10% of its prevailing total number of issued shares at any time within the time period stated in Section 2.2 below. Such purchase is subject to compliance with Section 127 of the Act and any prevailing laws, rules, regulations, orders, guidelines and requirements issued by the relevant authorities at the time of the purchase.

2.2 The authority from you, if renewed, shall be effective upon the passing of the ordinary resolution for the Proposed Share Buy-Back Renewal at GENM's forthcoming AGM until:

- (i) the conclusion of the next AGM; or
- (ii) the expiry of the period within which the next AGM is required by law to be held; or
- (iii) the authority is revoked or varied by an ordinary resolution passed by the shareholders of GENM in a general meeting,

whichever occurs first.

2.3 For illustrative purposes, based on GENM's total number of issued shares and the number of treasury shares held as at the LPD of 5,938,044,648 GENM Shares and 270,302,915 GENM Shares respectively, the maximum number of GENM Shares that can be purchased pursuant to the Proposed Share Buy-Back Renewal is 323,501,549 GENM Shares.

2.4 As at the LPD, GENM's public security holding spread was approximately 49.76%. For illustrative purposes, assuming that the purchase by GENM of its own shares is carried out in full based on its total number of issued shares as at the LPD, and the shares are purchased from public shareholders, GENM's proforma public security holding spread will be approximately 46.71%.

2.5 The Proposed Share Buy-Back Renewal will allow GENM's Board to exercise its power to purchase GENM Shares at any time within the time period stated in Section 2.2 above, using GENM's internally generated funds and/or external borrowings.

The actual number of GENM Shares that may be purchased will depend on the availability of funds, relevant cost factors, market conditions and sentiments.

Notwithstanding the above, the maximum amount of funds to be allocated for the purchase of GENM Shares under the Proposed Share Buy-Back Renewal will be subject to the amount of GENM's retained earnings. Based on GENM's latest audited financial statements as at 31 December 2022, the retained earnings was RM13,668.8 million at the Company level.

In the event GENM purchases its own shares using external borrowings, GENM's Board will ensure that there are sufficient funds to repay the external borrowings and that the repayment will not have any material effect on the cashflow of GENM.

2.6 In accordance with Section 127 of the Act, GENM's Board may, at its discretion, deal with the purchased GENM Shares in the following manner:

- (i) cancel the GENM Shares so purchased; or
- (ii) retain the GENM Shares so purchased as treasury shares which may be distributed as share dividends to the shareholders of GENM and/or be resold on Bursa Securities in accordance with the relevant rules of Bursa Securities and/or be transferred for the purposes of an employees' share scheme and/or be transferred as purchase consideration and/or be cancelled subsequently and/or be sold, transferred or otherwise be used for such purposes of the Minister charged with the responsibility for companies may by order prescribe; or
- (iii) combination of items (i) and (ii) above,

or in any other manner as may be prescribed by all applicable laws and/or regulations and guidelines applied from time to time by Bursa Securities and/or any other relevant authority for the time being in force and that the authority to deal with the purchased GENM Shares shall continue to be valid until all the purchased GENM Shares have been dealt with by the Directors of GENM.

In the event GENM ceases to hold all or part of the purchased GENM Shares as a result of the above, GENM may further purchase such additional number of GENM Shares provided that the total purchased GENM Shares (including GENM Shares held as treasury shares then) does not exceed 10% of its total number of issued shares at the time of such purchase.

While the purchased GENM Shares are held as treasury shares, the rights attached to them as to attending meetings, voting, receiving dividends and participating in other distributions whether cash or otherwise shall not be conferred to the holder of such treasury shares and the treasury shares shall not be taken into account in calculating the number or percentage of shares or of a class of shares in GENM for any purposes including, without limiting the generality of the provisions in the Act or any law or requirements of the Constitution of GENM or the Listing Requirements on substantial shareholdings, take-overs, notices, the requisitioning of meetings, the quorum for a meeting and the result of a vote on a resolution at a meeting.

2.7 According to the Listing Requirements of Bursa Securities:

- (i) GENM may only purchase its own shares on Bursa Securities at a price which is not more than 15% above the VWAP of GENM Shares for the five (5) Market Days immediately before the date of the purchase; and
- (ii) GENM may only resell the treasury shares on Bursa Securities or transfer the treasury shares pursuant to Section 127(7) of the Act, at a price which is:
 - (a) not less than the VWAP of GENM Shares for the five (5) Market Days immediately before the date of the resale or transfer; or
 - (b) not more than 5% discount to the VWAP of GENM Shares for the five (5) Market Days immediately before the resale or transfer, provided that:
 - the resale or transfer takes place not earlier than thirty (30) days from the date of purchase; and
 - the resale or transfer price is not less than the cost of purchase of the GENM Shares being resold or transferred.

2.8 GENM did not purchase any GENM Shares during the financial year ended 31 December 2022 and up to the LPD.

During the last 12 months preceding the LPD, there were no resale and cancellation of treasury shares, save for the transfer of treasury shares for the purposes of GENM's Employees' Share Scheme as set out below:-

Date	Number of GENM Treasury Shares Transferred	Transfer Price (RM)	Basis of transfer price
22 March 2022	12,012,996	2.80	} Based on the VWAP for the shares for the five (5) Market Days immediately before the transfer
16 March 2023	2,535,144	2.64	

The above treasury shares were transferred pursuant to Section 127(7)(c) of the Act.

As at the LPD, there were 270,302,915 GENM Shares held as treasury shares.

3. RATIONALE FOR THE PROPOSED SHARE BUY-BACK RENEWAL

The Proposed Share Buy-Back Renewal, if implemented, will provide the Group with an additional option to utilise its financial resources more efficiently by purchasing GENM Shares from the open market to help stabilise the supply and demand of GENM Shares traded on the Main Market of Bursa Securities and thereby support its fundamental value.

4. POTENTIAL ADVANTAGES AND DISADVANTAGES OF THE PROPOSED SHARE BUY-BACK RENEWAL

4.1 The Proposed Share Buy-Back Renewal, if implemented, may help stabilise the supply and demand of GENM Shares traded on the Main Market of Bursa Securities and thereby support its fundamental value.

GENM's Board may also choose to retain the GENM Shares purchased as treasury shares and subsequently distribute them as share dividends to the shareholders of GENM or apply them in the manner as set out in Section 2.6(ii) or cancel them, subject to all applicable laws and/or regulations and guidelines issued from time to time by Bursa Securities and/or any other relevant authority.

In addition, GENM may have the opportunity to realise potential capital gains if the shares so purchased are resold at prices higher than the purchase prices without affecting the total number of issued shares of GENM and such proceeds may be subsequently used for investment opportunities arising in the future or as working capital and/or distribute such proceeds as dividends to shareholders of GENM.

4.2 The Proposed Share Buy-Back Renewal, if implemented, will reduce the amount of financial resources available for distribution to shareholders and may result in the Group having to forego other investment opportunities that may emerge in the future, or deprive the Group of interest income that can be derived from the funds utilised for any purchase of GENM Shares. However, such decrease in GENM's financial resources may be temporary since the GENM Shares purchased which are retained as treasury shares may be subsequently resold.

In addition, the Group's cashflow will also be affected, as any purchase of GENM Shares will reduce the Group's cashflow depending on the actual number of GENM Shares purchased and the purchase prices.

4.3 GENM's Board does not expect the Proposed Share Buy-Back Renewal to have any material disadvantage to GENM and its shareholders as it will be implemented only after due consideration of the financial resources of the Group and of the resultant impact on GENM and its shareholders. GENM's Board, in exercising any decision to purchase any GENM Share, will be mindful of GENM's and its shareholders' interests.

5. EFFECTS OF THE PROPOSED SHARE BUY-BACK RENEWAL

5.1 Voting shares

The maximum number of GENM Shares that may be purchased pursuant to the Proposed Share Buy-Back Renewal and the effects of such purchase on the number of voting shares in GENM (illustrated on a proforma basis as at the LPD) are as follows:

	No. of GENM Shares
Total number of issued shares as at the LPD	5,938,044,648

5.2 Substantial shareholders' and Directors' shareholdings

5.2.1 Substantial shareholders

^{*3} Deemed interest through KHR, KHIL and GENT.

^{*4} Deemed interest by virtue of TSLKT and DILKH being:

- (a) beneficiaries of a discretionary trust of which PMSB is the trustee. PMSB as trustee of the discretionary trust owns 100% of the voting shares of KHIL which in turn owns 100% of the voting shares of KHR. KHR owns more than 20% of the voting shares of GENT which in turn owns ordinary shares in Genting Malaysia Berhad ("GENM"). As such, PMSB as trustee of the discretionary trust is deemed interested in the ordinary shares of GENM held by GENT as it is entitled to exercise or control the exercise of not less than 20% of the votes attached to the voting shares in GENT. PMSB as trustee of the discretionary trust is also deemed interested in the ordinary shares of GENM held by KHR and KHIL by virtue of its controlling interest in KHR and KHIL; and

GHL as trustee of the GHUT owns ordinary shares in GENM.

5.2.2 Directors

Assuming the purchase by GENM of its own shares pursuant to the Proposed Share Buy-Back Renewal is carried out in full, the effects of such purchase on the shareholdings of the Directors of GENM (based on GENM's Register of Directors' Shareholdings as at the LPD) are as follows:

Notes:

* Negligible.

^{*1} As at the LPD, interests of TSLKT's children (other than DILKH who is a director of the Company) in the Company are as follows. This disclosure is made pursuant to Section 59(11)(c) of the Act:

Name	Ordinary Shares
Mr Lim Keong Han	25,326
Mr Lim Keong Loui	67,687

^{*2} As at the LPD, Mr Teo Eng Siong's child holds 2,000 GENM shares. This disclosure is made pursuant to Section 59(11)(c) of the Act.

^{*3} As at the LPD, Mr Ho Heng Chuan's spouse holds 161,000 GENM shares. This disclosure is made pursuant to Section 59(11)(c) of the Act.

[@] Refer deemed interest details as provided in the footnotes of substantial shareholders under Section 5.2.1.

5.3 EPS

The effects of the purchase by GENM of its own shares pursuant to the Proposed Share Buy-Back Renewal on the consolidated earnings of GENM will depend on the purchase price paid for the GENM Shares purchased, the effective funding cost to the Group to finance such purchases and/or any loss in interest income to the Group, whilst the purchase of GENM Shares will result in a lower number of shares being taken into account for purposes of EPS computation.

5.4 Net assets per share

If the GENM Shares purchased are retained as treasury shares, the consolidated net assets of GENM would decrease by the purchase cost of the treasury shares because the treasury shares are required to be carried at cost and be deducted from equity. If the treasury shares are subsequently cancelled or distributed as share dividends, there will be no additional effect on GENM's consolidated net assets.

The purchase of GENM Shares that are retained as treasury shares and/or cancelled and/or distributed as share dividends will reduce the consolidated net assets per share of GENM if the purchase price of such shares exceeds GENM's consolidated net assets per share, and vice versa.

If the treasury shares are resold on Bursa Securities, it will increase the consolidated net assets per share of GENM if GENM realises a capital gain from such resale, and vice versa.

5.5 Working capital

The implementation of the Proposed Share Buy-Back Renewal will reduce the Group's working capital, the quantum of which would depend on, amongst others, the number of GENM Shares purchased and the purchase prices of the GENM Shares.

However, the resale of GENM Shares purchased which are retained as treasury shares will increase the Group's working capital. The quantum of the increase in the Group's working capital will depend on the actual selling price of the treasury shares and the number of treasury shares resold on Bursa Securities.

5.6 Dividends

The Proposed Share Buy-Back Renewal is not expected to have any material impact on the ability of GENM's Board in recommending future dividends. However, GENM's Board will have the option of distributing the treasury shares as share dividends to the shareholders of GENM.

6. HISTORICAL SHARE PRICES

The monthly highest and lowest prices of GENM Shares traded on Bursa Securities for the past 12 months from April 2022 to March 2023 are as follows:

	High RM	Low RM
2022		
April	3.08	2.88
May	3.13	2.88
June	3.12	2.78
July	2.95	2.80
August	3.04	2.89
September	3.01	2.73
October	2.82	2.56
November	2.77	2.40
December	2.75	2.57
2023		
January	2.94	2.70
February	2.90	2.66
March	2.72	2.53

(Source : Bloomberg)

The last transacted price of GENM Shares on 31 March 2023, prior to the printing of this Statement was RM2.65.

7. IMPLICATION OF THE CODE

As at the LPD, GENT holds approximately 49.33% of the voting shares in GENM. The future purchase by GENM of its own shares pursuant to the Proposed Share Buy-Back Renewal may cause the voting interest of GENT in GENM to increase by more than 2% in any 6-month period (the effects of such purchase on the shareholdings of GENT in GENM are set out in Section 5.2.1 above). In such an event, GENT will be required to undertake a mandatory take-over offer pursuant to Rule 4 of the Rules on Take-Overs, Mergers and Compulsory Acquisitions.

GENM shall endeavour to carry out the Proposed Share Buy-Back Renewal in such a manner as to ensure that it does not trigger any mandatory general offer obligation under the Code for its substantial shareholders.

8. APPROVAL REQUIRED

The Proposed Share Buy-Back Renewal is subject to your approval at GENM's forthcoming AGM to be convened.

9. INTERESTS OF DIRECTORS, MAJOR SHAREHOLDERS AND PERSONS CONNECTED

Save for the proportionate increase in the percentage shareholdings and/or voting rights of the shareholders of GENM as a consequence of the implementation of the Proposed Share Buy-Back Renewal, none of the major shareholders and Directors of GENM and/or persons connected to them has any interest, direct or indirect, in the Proposed Share Buy-Back Renewal or resale of treasury shares, if any, in the future.

10. DIRECTORS' RECOMMENDATION

GENM's Board, having considered all aspects of the Proposed Share Buy-Back Renewal, is of the opinion that the Proposed Share Buy-Back Renewal is in the best interest of GENM, and accordingly recommends that you vote in favour of the resolution pertaining to the Proposed Share Buy-Back Renewal to be tabled at GENM's forthcoming AGM.

11. RESOLUTION ON THE PROPOSED SHARE BUY-BACK RENEWAL AND AGM

PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE FOR RECURRENT RELATED PARTY TRANSACTIONS OF A REVENUE OR TRADING NATURE AND PROPOSED NEW SHAREHOLDERS' MANDATE FOR ADDITIONAL RECURRENT RELATED PARTY TRANSACTIONS OF A REVENUE OR TRADING NATURE

1. INTRODUCTION

At the Company's Forty-Second ("42nd") AGM held on 2 June 2022, the Company had obtained a shareholders' mandate for recurrent related party transactions of a revenue or trading nature ("**Existing Mandate**") which are necessary for the day-to-day operations of the GENM Group, with certain classes of related parties. The Existing Mandate, shall in accordance with the Listing Requirements, expire at the conclusion of the forthcoming AGM of the Company, scheduled for 31 May 2023 unless it is renewed at the said AGM.

On 3 April 2023, GENM announced its intention to seek your approval for a renewed shareholders' mandate for the Recurrent Related Party Transactions and further seek a new shareholders' mandate for additional Recurrent Related Party Transactions.

This Circular provides you with the details of the Proposed Shareholders' Mandate and sets out the Board's recommendation thereon. GENM will be seeking your approval for the ordinary resolution pertaining to the Proposed Shareholders' Mandate to be tabled at the forthcoming AGM.

The Notice of 43rd AGM, Form of Proxy, Administrative Guide and other relevant AGM documents are available on GENM's website at <https://www.gentingmalaysia.com/aggm/>.

2. DETAILS OF THE PROPOSED SHAREHOLDERS' MANDATE

2.1 Provisions under the Listing Requirements

Paragraph 10.09 (2) of the Listing Requirements provides that with regard to related party transactions involving Recurrent Related Party Transactions of a revenue or trading nature which are necessary for the day-to-day operations of a listed issuer or its subsidiaries, the listed issuer may seek a shareholders' mandate in respect of such transactions subject to the following:

- the transactions are in the ordinary course of business and are on terms not more favourable to the related party than those generally available to the public;
- the shareholders' mandate is subject to annual renewal and disclosure is made in the annual report of the aggregate value of transactions conducted pursuant to the shareholders' mandate during the financial year where the aggregate value is equal to or more than the threshold prescribed under Paragraph 10.09(1) of the Listing Requirements;
- the listed issuer's circular to shareholders for the shareholders' mandate includes the information as may be prescribed by Bursa Securities. The draft circular must be submitted to Bursa Securities together with a checklist showing compliance with such information;
- in a meeting to obtain shareholders' mandate, the interested director, interested major shareholder or interested person connected with a director or major shareholder, and where it involves the interest of interested person connected with a director or major shareholder, such director or major shareholder, must not vote on the resolution approving the transactions. An interested director or interested major shareholder must ensure that persons connected with him abstain from voting on the resolution approving the transactions; and
- the listed issuer immediately announces to Bursa Securities when the actual value of a Recurrent Related Party Transaction entered into by the listed issuer, exceeds the estimated value of the Recurrent Related Party Transaction disclosed in this circular by 10% or more and must include the information as may be prescribed by Bursa Securities in its announcement.

Where a listed issuer has procured shareholders' mandate pursuant to the above, the provisions of Paragraph 10.08 of the Listing Requirements shall not apply with regard to transactions as detailed in Section 2.3 of this Circular.

Accordingly, the Company proposes to seek the approval of the Proposed Shareholders' Mandate from its shareholders for the GENM Group to enter into Recurrent Related Party Transactions in which certain directors, major shareholders and/or persons connected have an interest, details of which are contained in Sections 2.2 and 2.3 below. 2.3 Nature of Recurrent Related Party Transactions contemplated

GENM is principally involved in an integrated resort business at Resorts World Genting (“**RWG**”) located in Genting Highlands and its activities cover leisure and hospitality services, which comprise gaming, hotels, food and beverage, theme parks, retail and entertainment attractions. The principal activities of GENM’s subsidiaries include operation of casinos, leisure and hospitality services, property investment and management, investments, tours and travel related services and provision of sales and marketing services.

GENT is principally an investment holding and management company. Its unlisted subsidiaries are involved in a diverse range of businesses including, inter-alia, development and operation of integrated resort, generation and supply of electric power, investments, life sciences and biotechnology research and development activities, oil and gas exploration, development and production activities, provision of management services, property investment and management. GENT Group provides the GENT Group Management and/or Support Services to its subsidiaries, including the GENM Group. These shared services are provided in-house to facilitate alignment of the Genting Group policies and practices where applicable and to reduce operating cost and improve efficiency through economies of scale, better utilisation and allocation of resources, standardisation of processes, operating procedures and information technology systems. Accordingly, the Board considers it beneficial for the GENT Group to provide the GENM Group with the GENT Group Management and/or Support Services. The GENT Group Management and/or Support Services are carried out at arm’s length, commercial terms and on terms not more favourable to the related parties than those generally available to/from the public and which will not be detrimental to the minority shareholders.

The principal activities of GENS and its subsidiaries (“**GENS Group**”) are in the development, management and operations of integrated resort destinations including gaming, attractions, hospitality, MICE, leisure and entertainment facilities. Since 1984, GENS Group has been at the forefront of gaming and integrated resort developments in Australia, the Bahamas, Malaysia, the Philippines, the United Kingdom and Singapore. GENS owns Resorts World Sentosa in Singapore, an award-winning destination resort and one of the largest integrated resort destinations in Asia, offering a casino, S.E.A. Aquarium (one of the world’s largest Oceanariums), Adventure Cove Waterpark, Universal Studios Singapore theme park, hotels, MICE facilities, celebrity chef restaurants and specialty retail outlets.

GENP is principally involved in plantation and provision of management services to its subsidiaries. The principal activities of its subsidiaries include plantation, property development, property investment, genomics research and development and downstream manufacturing activities.

In view of the diversity of the Genting Group’s businesses, it is envisaged that in the normal course of business of the GENM Group, transactions in respect of goods and/or services by companies in the GENM Group with the related parties will occur with some degree of frequency from time to time and at any time.

As the amount of RM807,162 under the Proposed Retirement Gratuity Payment exceeds the total remuneration received by Tan Sri Clifford in the three years immediately preceding his retirement at the 43rd AGM, your approval in a general meeting pursuant to Section 227 of the Act has to be obtained (“Section 227 Approval”).

However, if the Section 227 Approval is not obtained for whatever reason, the Board (except for Tan Sri Clifford who had abstained from deliberation and voting on the Proposed Retirement Gratuity Payment) had on 3 April 2023 approved the payment of a maximum retirement gratuity equivalent to the total remuneration received/receivable by Tan Sri Clifford in the three years preceding his retirement that is allowed by Section 227(5) of the Act.

On the same day, he was appointed as an Independent Non-Executive Director of the Company pursuant to a resolution of the Board of Directors of the Company dated 31 May 2017.

Currently, Tan Sri Clifford is also the Chairman of the Audit Committee, Risk Management Committee and Remuneration Committee; and a member of the Nomination Committee.

Tan Sri Clifford has indicated his intention to retire at the conclusion of the forthcoming 43rd AGM to be held on 31 May 2023.

2.3 Mode of Payment

The Proposed Retirement Gratuity Payment will be paid in cash from the internally generated funds of GENM Group.

3. RATIONALE FOR THE PROPOSED RETIREMENT GRATUITY PAYMENT

The Proposed Retirement Gratuity Payment is in recognition of Tan Sri Clifford’s commitment, dedication and contribution to the Company. The Proposed Retirement Gratuity Payment is also a gesture of appreciation for Tan Sri Clifford’s service with the Company for more than 20 years.

4. APPROVAL REQUIRED

5. EFFECTS OF THE PROPOSED RETIREMENT GRATUITY PAYMENT

The Proposed Retirement Gratuity Payment is not expected to have any material effect on the share capital, shareholdings of major shareholders of GENM and earnings or the net assets of the GENM Group.

6. INTERESTS OF DIRECTORS, MAJOR SHAREHOLDERS AND PERSONS CONNECTED

Tan Sri Clifford, an Independent Non-Executive Director of GENM, is deemed interested in the Proposed Retirement Gratuity Payment.

Tan Sri Clifford had abstained and will continue to abstain from all Board deliberations and voting on the resolution pertaining to the Proposed Retirement Gratuity Payment at the relevant Board meetings.
